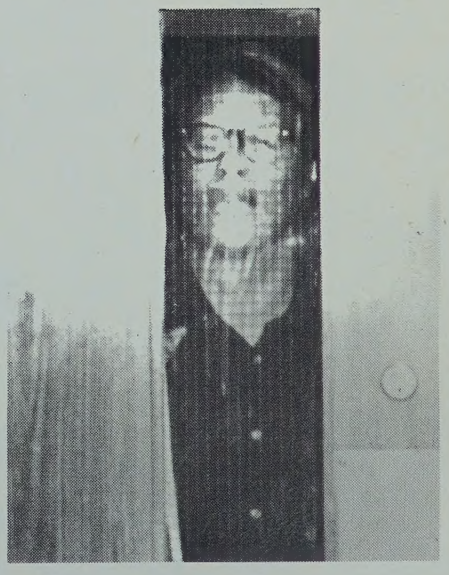
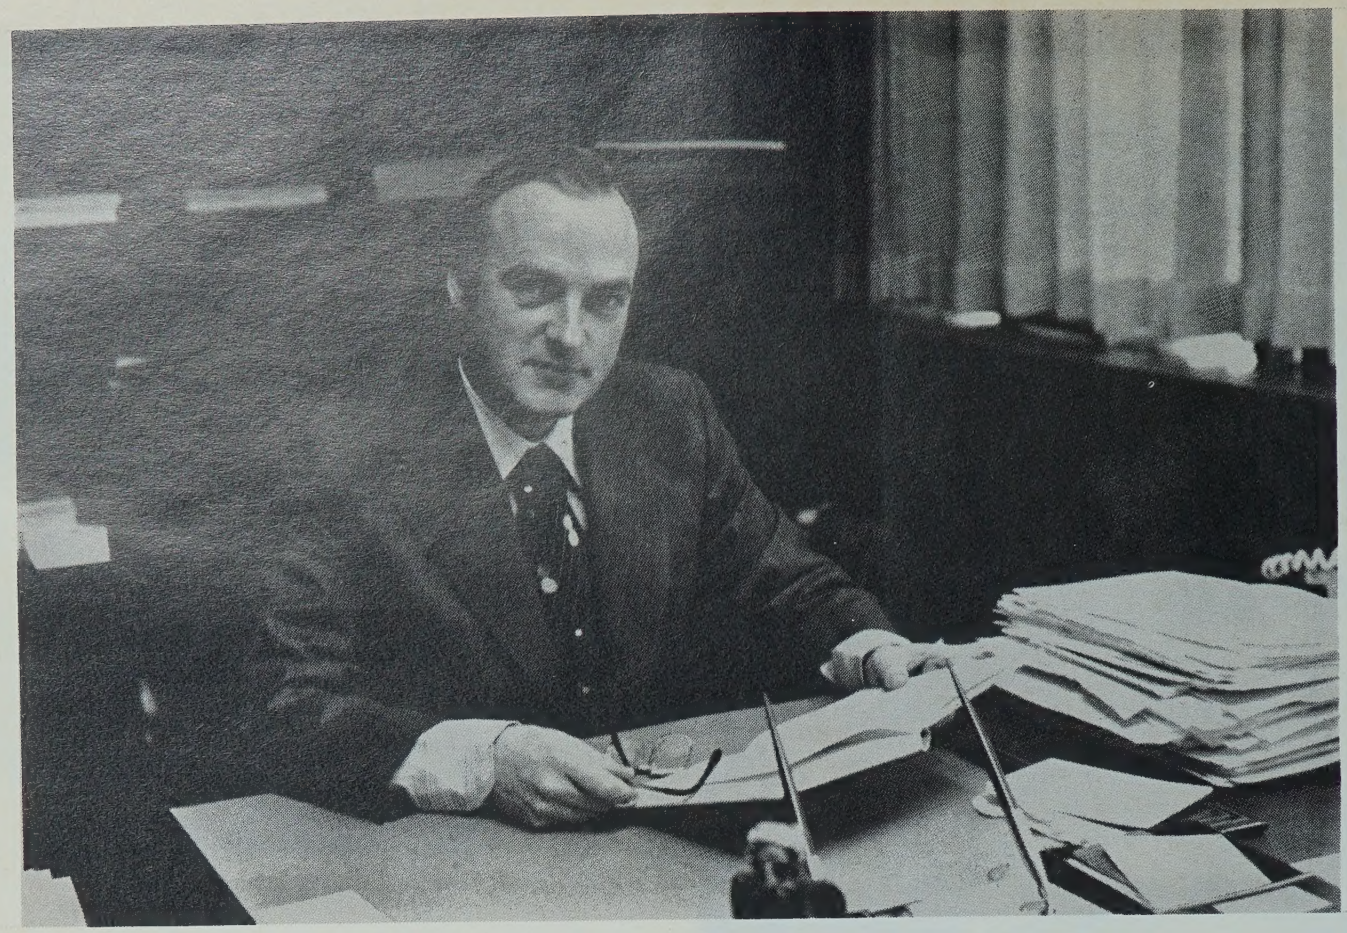
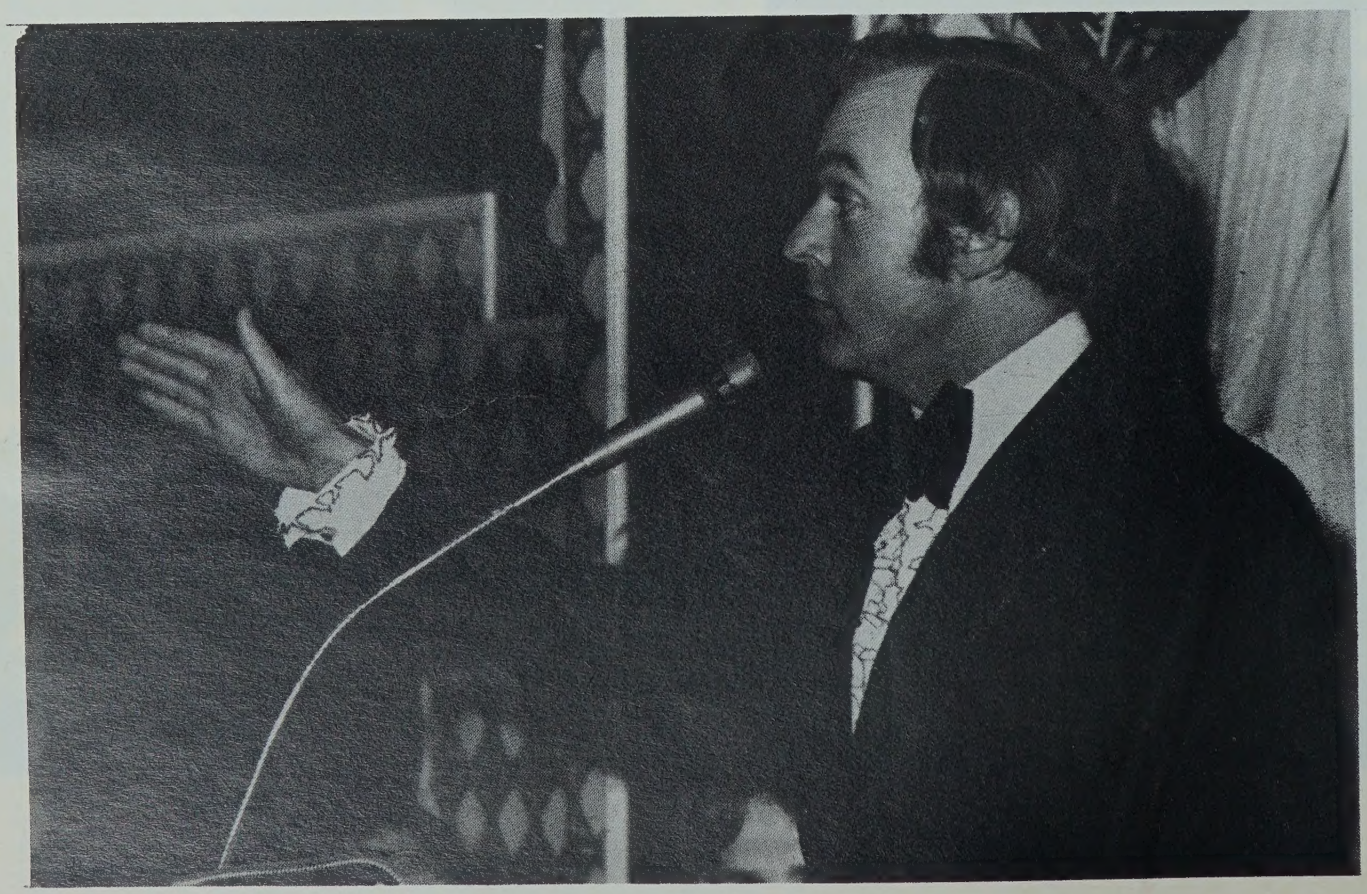
SOME DAY YOU'LL
BE TELLING YOUR
KIDS THESE HALLS
WERE HALLOWED.







Frank D. Jones, Q.C.
Dean, Faculty of Law
Law Centre, University of Alberta
Edmonton, Alberta T6G 2H5
(403) 4325590

It is indeed a pleasure to have the opportunity to make a small contribution to the Yearbook. This year's graduating class is the largest in the history of the Law School and will be the largest graduating class we will have. Undoubtedly there will be some problems commensurate with this in the articling area, however, it is my belief that it will be remembered as one of the friendliest. Their presence together with the first and second years have lent a vitality and energy to the School which is basically the essence and flavour of any good law school.

For the graduating class there are new horizons to conquer. You are entering a profession in a province which is buoyant and enthusiastic. I have every confidence that your contributions not only to the legal profession, but to the community at large will be significant. Your legal education of course is merely beginning and throughout your career new and challenging problems will require solutions. I hope, however, that you will feel that your time at the Law School will have provided you the base not only in the substantive law but in the reasoning process with which to deal with new and exciting problems.

May I take this opportunity on behalf of myself and the Faculty to wish each of you every success in the future and to say that we will always welcome the opportunity of seeing you in the future and assisting you in relation to your practice of law.

PRECEDENT . . . . . in Law, a previous decision, rule or practice, which in the absence of a definite statute, has whatever force and authority a judge may choose to give it, thereby greatly simplifying his task of doing what he pleases.

Be an Armchair Homehunter

A Block Bros. Exclusive

Come right in, settle down in front of the TV, have a cup of coffee, and get ready for a preview of your next home.

Full-colour images fill the screen: homes for sale in any city, town, or neighbourhood of your choice, anywhere in the four western provinces of Canada.

Suddenly, there it is, the home you've been looking for! All charm, with the right number of bedrooms, sunny kitchen, plenty of work and storage space in the basement, nicely finished . . . even the price is right.

You'll want to inspect it personally before you make a commitment. We'll be happy to arrange an appointment for you.

But the important thing is, you already know that it meets your requirements, because you've just seen it, inside and out. Thanks to Block Bros. TV you are still in your armchair.

This is Block Bros. TV — the finest innovation in homehunting since Block Bros. introduced the Catalog seven years ago.

No more tripping around from one disappointing house to another. Just a nice relaxed tour of everything Block Bros. TV has in the neighbourhood of your choice.

There's no charge. Even the coffee is free.

For home buyers and sellers alike, Block Bros. TV, an exclusive with Block Bros., is the beginning of a new era in real estate.

Be sure to tune in soon, at your nearest Block Bros. office.*
